## WHAT WE LEARNED

Thanks to everyone who sold the cash raffle tickets and made it a great success. All proceeds will go towards programming and new items for the classroom.

Cold and Flu season is here. Please let us know if your child is sick. We do not provide sick care so your child must be well enough to participate. If your child has a fever they should remain at home for 24 hrs after fever breaks and stay at home for 48 hrs after last occurrence of diarrhea or vomiting
